

GB vs France Match

Star secures win to represent GB

A junior sixteen quad has made it five Star Club Juniors representing Great Britain as they were victorious in their race off at the GB France match trials. Competing against the two quickest quads of the season in Evesham and William Borlase they powered through after the first 250 metres to gain a lead of one and half lengths that they never looked like losing. The quad of Victoria Huckle, Charlotte Cook, Ruby Ellam and Ellie Grimley now travel to France where they take on the French in a head to head winner takes all race.

Three of the girls are WJ15 with Ruby Ellam leading the boat as the only WJ16 showing a promising group for the future of Junior girls at Star Club.

The boats success is put down to a strong junior set up led by both Nicky Durrant (Junior Captain) and Tatjana Rozman (Junior Vice Captain). Congratulations should also go to the coaches of the girls over the past season: David Johnson, David Swain, Tatjana Rozman, Rosie Mayglothling and Tristan Mayglothling.
